## Introduction

*“The thief comes only to steal and kill and destroy; I have come that they may have life, and have it to the full.” John 10:10*

When you encounter Jesus you can't help but walk away a different person. That's because everything about Him was unique, revolutionary, supernatural and life transforming. As you encounter Him through His claims, teachings, miracles, sacrificial death and resurrection may you come to experience life to the full.

This study in the gospel of John was designed for you to read each set of Bible verses and to answer the questions that follow. You are encouraged to take extra time for further study, prayer and reflection.

At the end of each week's study you will find questions for making it practical. It will be to your greatest advantage to answer these questions each week. If you need more space feel free to use your own notebook for your journal entries.
